

Roadworks notice

www.jec.co.uk/roadworks

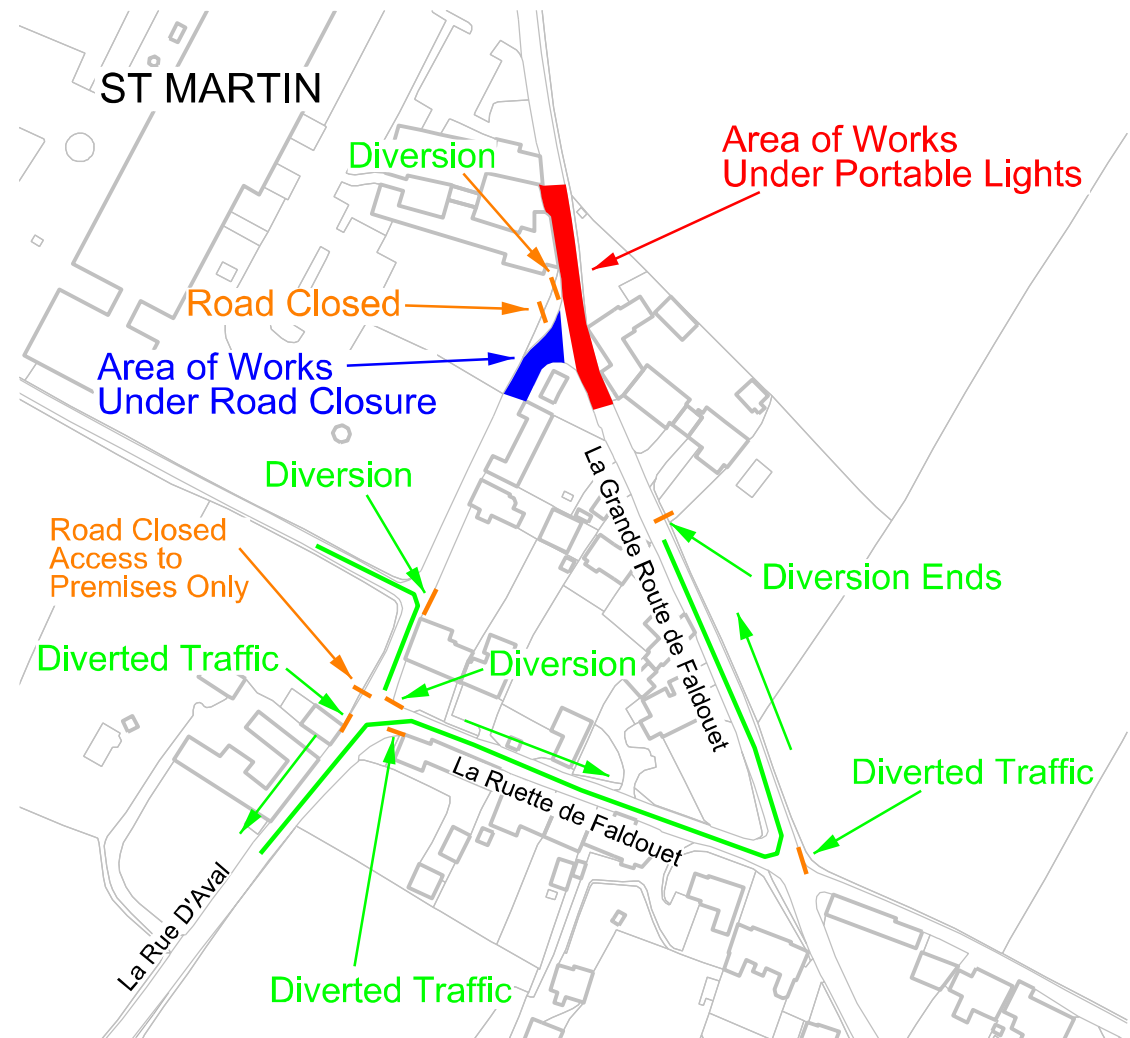

Dear Customers,

Commencing on the 18th of March, we will be conducting works to install a new service for Ransoms Garden centre, St Martin, we have a road closure on the junction of La Rue D'Aval coming onto La Grande Route de Faldouet which will start on the 18th and will last approximately 2 weeks.

We will maintain access for all residents effected by these works, the location of these works is on the map attached to this letter as well as the diversion routes.

We apologise for any inconvenience this may cause and thank you in advance for your co-operation to help us complete this work as quickly as possible.

If you have any queries, please call our Customer Care Team on 505460 8am to 6pm, Monday to Friday.

Jersey Electricity plc

Inspiring a zero carbon future

We are working in your area today to help meet the increasing demand for low-carbon electricity.

As Jersey moves to a zero-carbon future, more and more Islanders are switching from gas and oil to electric heating.

Many are also switching to zero-emission electric vehicles.

Jersey Electricity has a wide range of low-carbon, affordable, electric home heating solutions from electric flow boilers to super-efficient Air Source Heat Pumps with 0% finance.

We also offer home EV charging solutions with 12 months' interest free credit.

For more information on either electric heating or home EV chargers, or to book a free home survey, call **505460**.
