[www.jec.co.uk/roadworks](http://www.jec.co.uk/roadworks)

Dear Customer,

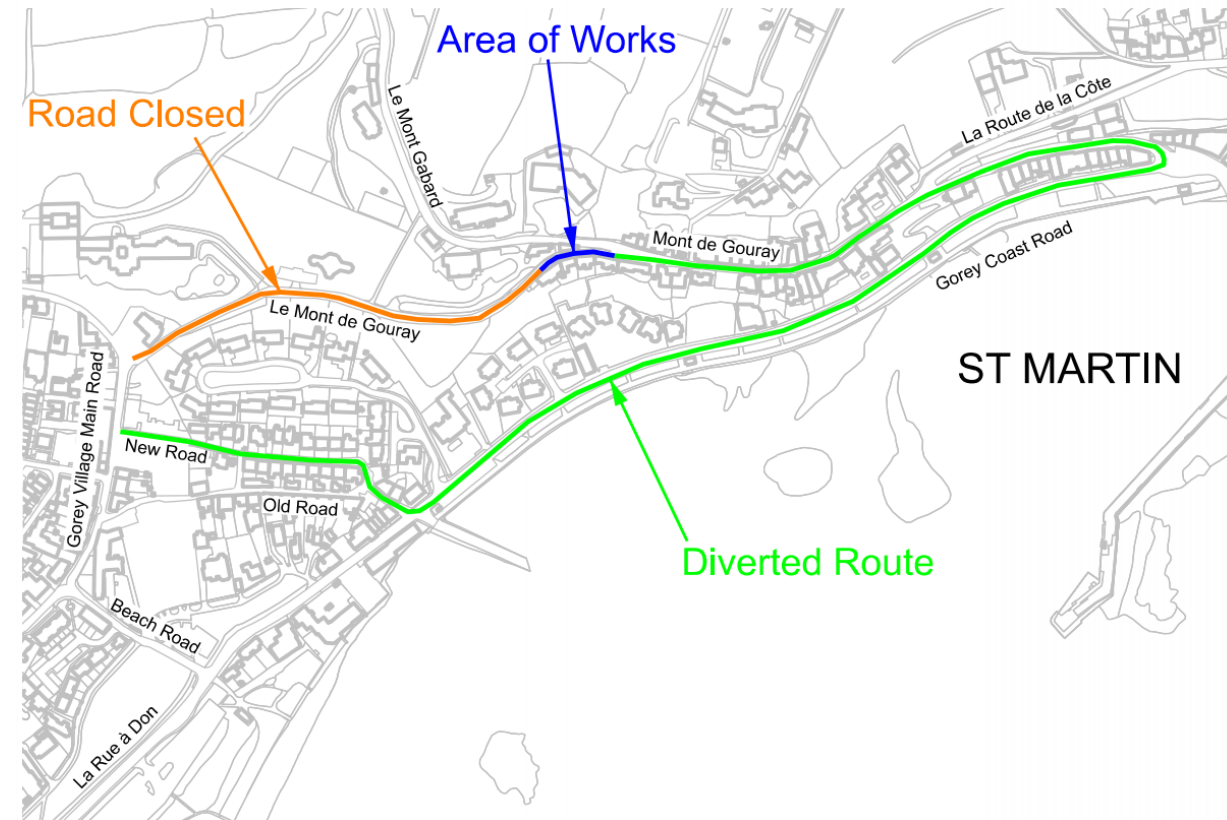

We are writing to update you about planned roadworks and upgrades to the electricity infrastructure in your area.

- **Start Date:** Monday 22 January
- **End Date:** Saturday 27 April
- **Location:** Le Mont de Gouray, St Martin & Grouville
- **Purpose:** Le Mont de Gouray, has been closed since Monday 22 January to allow us to complete essential improvements to our network in the area. However, due to unforeseen circumstances, it will remain closed until Saturday 27 April. This is because we cannot achieve the minimum safety distances for live traffic and pedestrians. As always, the safety of our employees and the public is our number one priority.

**Will I be able to access my property?** Yes. During the works, access to properties will remain uninterrupted using two-way traffic management, and businesses will operate as usual.

We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

If you have any concerns or require further information, please do not hesitate to contact our customer care team on **01534 505460**.

Jersey Electricity plc

Inspiring a zero carbon future

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Due to the ever-increasing demand for electricity, our dedicated team is hard at work enhancing our distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure we can meet your energy needs efficiently.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.
