

Roadworks notice

www.jec.co.uk/
roadworks

Dear Customer,

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

Details of the planned roadworks:

- Start Date: Monday 14 October
- End Date: Friday 6 December
- Location: Sunshine Avenue, St Saviour
- Purpose of the Roadworks: This closure is to upgrade our mains cables prior to service transfers. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

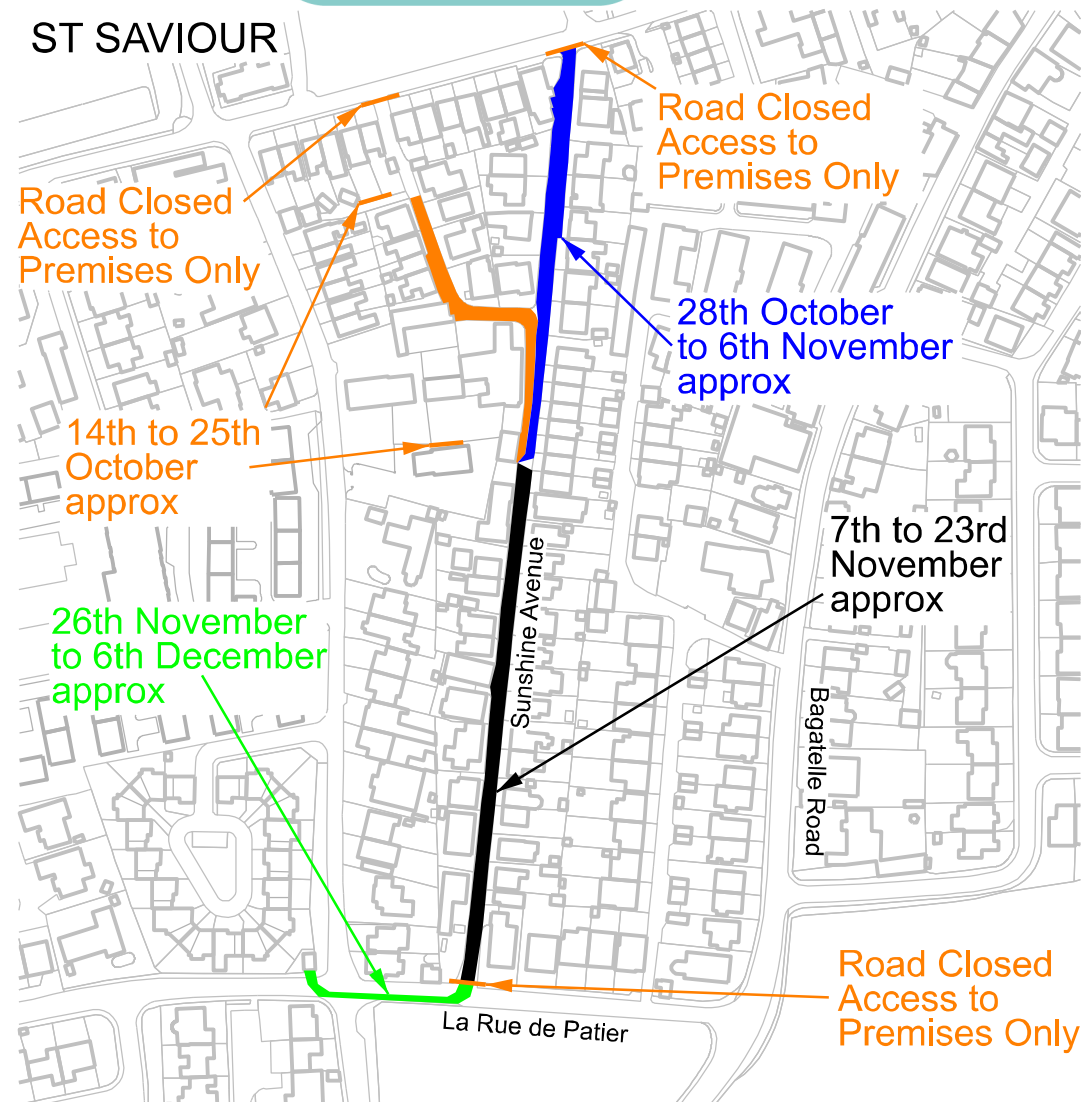

Will I be able to access my property?

Yes. During the works, access to properties will remain uninterrupted, and businesses will operate as usual. We will have some parking spaces at Grainville School, next to the recycling centre, for those that are able and willing to park there. Our contractors, Geomarine, will touch base with the residents who have parking or access requirements.

We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

For any major updates regarding these works or our other roadworks please visit our new roadworks page jec.co.uk/roadworks/.

If you have any concerns or require further information, please do not hesitate to contact our customer care team at jec@jec.co.uk or on 01534 505460.

Jersey Electricity plc

Inspiring a zero carbon future

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Due to the ever-increasing demand for electricity, our dedicated team is hard at work enhancing our distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure we can meet your energy needs efficiently.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to reach out to our customer care team at **01534 505460**.

Thank you for your continued support.
