roadworks

Dear Customer,

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

Details of revised roadworks:

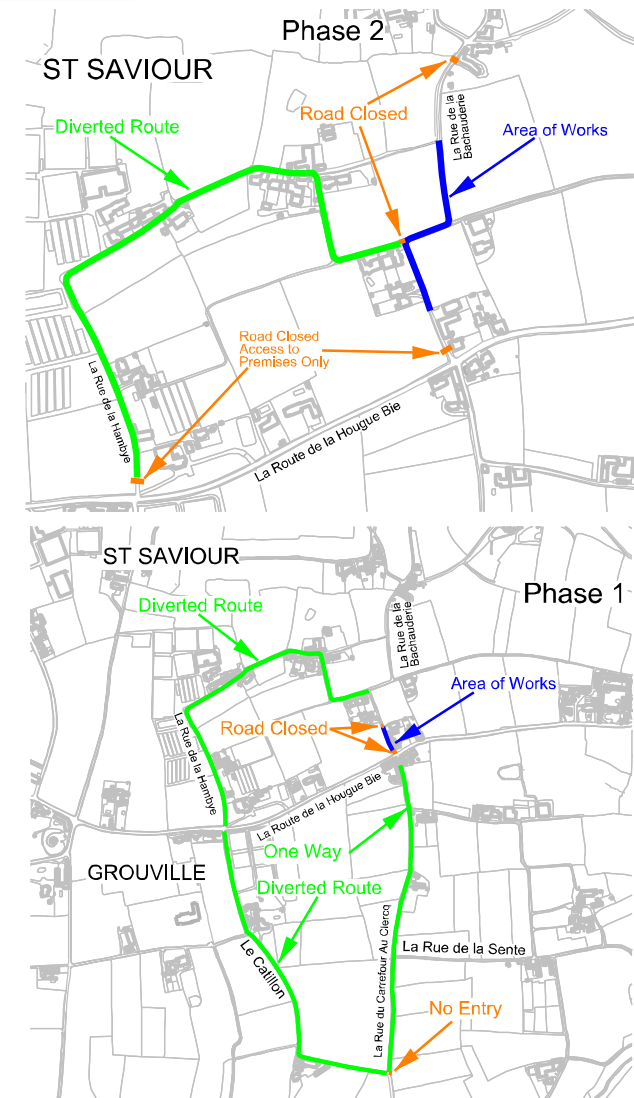

- Start Date: Friday 26 July
- End Date: Saturday 14 September
- Location: La Rue de la Bachauderie, La Ruelle de Ecorvees, Rue de la Hambie and La Route de la Hougue Bie. The works will be carried out in two phases, as shown in the adjoining maps. Due to unforeseen circumstances the order of these works has been amended, as illustrated on the attached maps.
- **Purpose of the Roadworks:** This closure is due to excavation works necessary to allow us to lay new underground cables to facilitate the removal of our existing overhead lines. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Will I be able to access my property?

Yes. During the works, access to properties will be maintained at all times, although the direction to access properties will change as the works proceed. Businesses will operate as usual.

We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

If you have any concerns or require further information, please do not hesitate to contact our customer care team at jec@jec.co.uk or on **01534 505460**.
